

REMARKS

Applicants resubmit the above claims with proper status identifiers to indicate the precise status of each claim. While the claims have been amended, the amendments do not add or modify the scope of the claims in any way. Rather, the amendments remedy formal deficiencies that originally existed in the claims' depiction of variables and mathematical operators (for example, the term "EV" had been mistakenly used to indicate a " Σ ").

Applicants do not believe that any fee is due in connection with the submission of this paper. However, if any fee is due, or if any overpayment has been made, the Commissioner is authorized to charge any such fee or credit any overpayment, to our Deposit Account No. 02-4377. Duplicate copies of this sheet are enclosed.

Respectfully submitted,
